

SPECIAL FIELD DAY EDITION—PAGE 1 OF 2

WELCOME TO THE

ARRL-ROANOKE DIVISION

North Carolina · South Carolina · Virginia · West Virginia

OVER 13,000 AMATEUR RADIO MEMBERS STRONG. AND GROWING!

For the latest news, go to the Division website at www.arrl-roanoke.com, and visit the Division on social media on its pages on Facebook and Twitter. Join in the fun and post your photos for others to see..

FIELD DAY TIPS AND SUGGESTIONS

About 150 locations will be listed in the Roanoke Division for Field Day. If you haven't done so yet, register your listing at: <http://www.arrl.org/field-day-locator>

- ◆ Monitor your designated repeater talk-in frequency throughout the weekend, even if you close up early in case people are trying to find you.
- ◆ Put big, clear signage on the roads and intersections near your Field Day location so people can get to your site quickly.
- ◆ On your website and promotional material, provide your Lat/Lon coordinates so people can plug them into their GPS.
- ◆ Consider having a "Kick Off" ceremony Saturday afternoon where a dignitary cuts a piece of old coax cable instead of a ribbon. Have an elected official make the first QSO. If media isn't there to cover it, take a picture for social media and to send later to newspapers and TV stations.
- ◆ Designate 1-2 people to be ambassadors to greet anybody who comes to visit. Never let strangers leave without greeting them. Have brochures to hand out, with information on study guides,

WWW.ARRL.ORG

Look for your Section Managers on Field Day:

- ◆ North Carolina—Karl Bowman, W4CHX
- ◆ South Carolina—Marc Tarplee, N4UFP
- ◆ Virginia - Joe Palsa , K3WRY
- ◆ West Virginia—Dan Ringer, K8WV

Be sure to send your Section Manager or SEC a Radiogram for 100 bonus points.

MORE FIELD DAY TIPS, HOW TO MAXIMIZE YOUR BONUS POINTS AND VHF CONTEST FUN LEADING UP TO FIELD DAY ON THE NEXT PAGE...

*Have a safe and fun Field Day.
73 de Dr. Jim, N2ZZ and Bill, N2COP*

Division Director Dr. Jim Boehner, N2ZZ, will be visiting Field Day sites in western SC AND NC

Vice Director Bill Morine, N2COP, will concentrate on coastal South Carolina this year

SPECIAL FIELD DAY EDITION— PAGE 2 OF 2

MAXIMIZING FIELD DAY BONUS POINTS

Rule 7.3.2 PUBLICITY— Don't just do a press release for 100 points. Do a newspaper, radio or TV interview *before* FD and invite people out. Book appearances and send out releases now. Click here with CTRL for [Field Day Media Packet](#). For weekly newspapers, send your release June 14 for publication week of June 19. If you're lucky to get a reporter to come to your Field Day site, be patient. Many do not know what Ham Radio is. Don't fall into lingo like "SSB" or "SWR". Give them introductory and overview material from your PIO table (another 100 points).

Rules 7.3.5 MESSAGE TO SECTION MANAGER OR SEC, AND 7.3.6 UP TO TEN MESSAGES - Instead of waiting for a voice traffic net, send messages via a CW net or anytime digital, such as RMS Express via Winlink. Contact your Section Traffic Manager (STM) on these alternative (and time saving) methods. Up to 200 points.

Rule 7.3.7 SATELLITE QSO - The capture effect makes a QSO via FM hit or miss. Try a CW/SSB bird instead like FO-29, AO-7, EO-79, EO-88, LO-87, the XW series 2B, 2D, 2E, 2F and UKube-1. They generally have longer passes and wider bandwidth for multiple QSOs. 100 points.

Rules 7.3.10 EDUCATIONAL ACTIVITY AND 7.3.15 YOUTH PARTICIPATION— Offer to teach the Radio Merit badge to a Boy Scout troop. Up to 200 points. [Newsletter](#)

Rule 7.3.16 SOCIAL MEDIA - If your club hasn't done it yet, tiptoe into Facebook and Twitter on Field Day using hashtag #ARRLFD. Click here with CTRL for [Social Media Rules](#)

WARM UP FOR FIELD DAY—

TRY VHF CONTESTING

To get skill sets up to speed and sharp for Field Day, try some of the VHF contests in June before FD. These contests can be excellent training grounds for Technician Class operators who want to work HF on FD under a Control Operator. With 6 meter propagation near its peak, try these upcoming two events:

June 10—Click on [ARRL June VHF Contest](#) or type <http://www.arrl.org/june-vhf>

June 17—Click on [SMIRK 6 Meter Contest](#) or type <http://www.smirk.org/contest.html>

SEND YOUR BEST FIELD DAY PICTURES TO WEBMASTER WOODY WOODWARD, K3VSA, AT k3vsa@arrl.net. YOURS MAY GET POSTED ON THE ROANOKE DIVISION WEBSITE AT WWW.ARRL-ROANOKE.COM. YOU CAN UPLOAD PICTURES ANYTIME ON THE DIVISION'S PAGES ON FACEBOOK AND TWITTER. SEARCH FOR "ARRL ROANOKE".

(L-R) Bill N2COP & Dr. Jim N2ZZ at the ARRL booth on May 20 at the 2017 Hamvention in its new location, Greene County Fairgrounds in Xenia, Ohio

*Have a safe and fun Field Day.
